

Multi Family Residential

9 Dekalb, Brooklyn, NY

Why choose Bulldog for your residential project?

Uses less electricity

Has lower failure rates
Result: Less down time

Fewer moving parts
Result: Lower maintenance costs

40-70% lower heating costs
Result: Lower operating costs and more contribution to LEED points

Dry cooler capability
Result: Lower capital and maintenance costs, no risk of Legionnaire's disease

Fresh air delivered directly to occupied space with or without an integral ERV
Result: Lower capital cost

Smaller Geothermal field for cooling dominant building
Result: Lower capital costs

1325 Jerome Avenue, Bronx, NY

No other heat pump does more, with less.

Quieter

Smaller footprint

Result: More useable space and less cost from Framing Trade

Dehumidification

Result: Better occupant comfort

Chassis change out in minutes

Result: Lower maintenance costs, space can be occupied within an hour

Fewer water loops

Result: Simpler and less costly building piping loop

Retrofit friendly

Result: Lower capital cost and ideal for retrofit projects since less time is required in the suite
